There are two types of swabs:
Cotton and Chamois

Cotton Swabs can be purchased at pharmacies.

Cost: \$10 for a box of 500.

Cotton Swabs are likely cheaper in store because you can save on shipping. Many pharmacies like London Drugs have on-line shopping.

Chamois swabs can be purchased at audio/visual supply stores.

Cost: \$20 for 15 swabs

Chamois swabs can be purchased at www.amazon.ca

Cost: \$20 for 15 swabs

You can also make your own. Purchase a large piece of Chamois at an automotive store like Canadian Tire and glue it onto a popcicle stick.
