

FirstVoices Elicitation Plan

Answer the following questions:

Who is my speaker? Does my speaker have any special requirements (i.e. specific location they can meet in, mobility needs)?

How much time will I have? (60-120 minutes is recommended)

What equipment do I need? (list)

What do I want to record? (brief description)

What method will I use to ask my speaker for that information?

<input type="checkbox"/> Wordlist	<input type="checkbox"/> Storytelling	<input type="checkbox"/> Conversation	<input type="checkbox"/> Other:
-----------------------------------	---------------------------------------	---------------------------------------	---------------------------------

List the words you will ask for or topics you will cover, and describe *how* you will ask for the information (i.e. "Can you please tell me the word for 'berry' and use it in a sentence?")
